

Safety Policy

At Kayan Gulf, we are fully committed to providing a safe, healthy, and secure working environment for all employees, contractors, visitors, and stakeholders. Safety is a core value of our company and an essential part of every activity we perform.

To uphold this commitment, we ensure the following:

Compliance: Adherence to all applicable health, safety, and environmental laws, regulations, and industry standards.

Risk Prevention: Identifying, assessing, and controlling workplace hazards to prevent injuries, illnesses, and unsafe conditions.

Safe Work Practices: Promoting safe behavior, proper use of equipment, and compliance with safety procedures at all times.

Training & Awareness: Providing continuous safety training, awareness programs, and resources to ensure that all employees are competent and capable of working safely.

Incident Reporting: Encouraging prompt reporting of unsafe conditions, near misses, and incidents to support corrective and preventive actions.

Continuous Improvement: Regularly reviewing and improving our safety management systems and performance.

Kayan Gulf believes that all incidents are preventable, and maintaining a safe workplace is a shared responsibility across the organization.

This Safety Policy is communicated to all employees and reviewed periodically to ensure effectiveness and alignment with our operational needs.
